NOTICE TO LODGING PARTIES

CHANGES OF NAME

Regulations dealing with the Registration of Changes of Name became operative on WEDNESDAY 1st JULY, 1981.

From that date, the Applications or documents which refer to the Change of Name will simply use the current procedures relating to Changes of Name where persons are born within South Australia. Therefore, in appropriate cases where a Change of Name has been effected the relevant Application or other document to be registered in the Lands Titles Office must be accompanied by either a certified copy of birth registration showing the change of name or a certified copy of Change of Name.

For Changes of Name deposited in the General Registry Office before 1st July 1981 the present procedures will, of course, continue to operate - See Forms and Practice page 13 Note 2.

This Notice will also serve to advise lodging parties that ALL Changes of Name will now be effected at the Office of the Principal Registrar of Births, Deaths and Marriages, Edmund Wright House, 59 King William Street, Adelaide.
