### A4 PANEL FORMS

Further to the Notice dated 17 August 1993, I advise that a supplementary Government Gazette containing the proposed panel form instruments, and the standards with which they are to comply, was published on 5 October 1993.

It is anticipated that the forms will be available from the State Information Centre, 25 Grenfell Street Adelaide and State Print, Richmond Road Netley in the week commencing 4 October and lodgement will be accepted thereafter.

Clients who wish to print their own forms require my approval. Each private form will be given an approval number which must be displayed on every form lodged for registration.

Any enquiries regarding the forms should be directed to Les Falkai, who may be contacted on telephone 226 4346.
