PANEL FORM

W2 - WITHDRAWAL OF LIEN

The information contained in these notes is to be read in conjunction with "GENERAL NOTES RELATING TO PANEL FORMS".

NOTES

Instructional notes on the form must be read carefully before attempting to complete the information required in the panels.

LIEN BEING WITHDRAWN

In the first panel show the registered number of the Lien being withdrawn.

CERTIFICATES OF TITLE

In this panel show the current certificate(s) of title reference(s) of the land from which the Lien is being withdrawn.

If portion only of the Lien is being withdrawn, then identify the certificate of title, or portion thereof, in the customary manner.

In the lower part of this panel insert either "WHOLE" or "PART", depending on whether all the land is being withdrawn from the Lien, or portion only.

LIENOR

Show the full name, address, and occupation of the Lienor and identify with the Lien as "formerly of" if necessary.

OPERATIVE CLAUSE

If the Lien is being fully withdrawn, delete (b). If the Lien is being partially withdrawn, delete (a).

EXECUTION AND PROOF

The form of execution and proof of signature is unaltered with the exception that the full name of the Lienor need not be shown in the execution clause or proof. Merely substitute "Lienor" in lieu of the name in those places.

FORMAT 25

Read carefully note 1 on the form.

It is the certifying party's responsibility to ensure that this format is correctly completed.

Should there be more than one Lien being withdrawn or more than eight certificates of title affected, then list as many as the format provides for, adding below "and others" to indicate that it is incomplete. L.T.O. staff will provide a form for the additional information.
