NOTICE TO LODGING PARTIES

Recently, a number of documents from various individuals and organizations have been brought to my attention. The typed information on these documents is not of permanent quality, being easily erased with a soft pencil rubber.

All lodging parties are reminded of their obligations when preparing these legal documents and the requirement that "if typewritten the instrument must be in good black type". (Introductory Notes, Forms and Practice).

In future, all documents will be checked as regards this feature and those not complying with this requirement may be rejected.

(J.G. MAHER)

REGISTRAR-GENERAL.
