## Release Of Electronic Residual Dealings

---

### Release of Electronic Residual Dealings

New residual dealings, in addition to those outlined in [Notice to Lodging Parties #235](#) are now available for electronic lodgement by Property Exchange Australia (PEXA) Subscribers. We will advise when they are available to Sympli Subscribers.

A User Guide, outlining the residual dealings available for electronic lodgement and any supporting evidence/document requirements for each type, has been published on the Land Services SA [Electronic Conveyancing webpage](#). The User Guide is updated as additional dealings become available.

Residual Dealings will continue to be introduced incrementally, with notice being provided to industry as additional dealings become available.

For further information please contact Land Services SA Customer Support on 08 8423 5000 or email [customersupport@landservices.com.au](mailto:customersupport@landservices.com.au).
