Property Interest Reports - Changes to Electronic Delivery Notification

From 1 August 2018 PIR Certificates will no longer be posted to registered land agents, conveyancers and solicitors who have not signed up for RevenueSA electronic Certificates access.

If you are a registered agent and do not use the Certificates component of RevNet you will be provided with read only Certificates access when you apply for your first certificate after 1 August 2018.

As a read only Certificates user you will be able to log in, view and print Certificates ordered as part of your PIR Certificate, however you will not be able to update the certificate or pay any outstanding liabilities.

To access to the full functionality of certificates, users will be required to be approved. To update your current account to the full functionality to access the ability to request *ad hoc* certificates, update certificates prior to settlement or pay any outstanding liability on a requested certificate, please complete an application available at [Certificates Application](#).

If you have any questions in regard to this or problems accessing your PIR Certificates please contact RevenueSA on 08 8207 2333.
