

**NOTICE TO LODGING PARTIES**

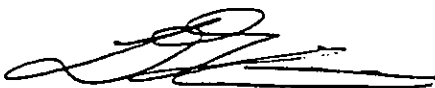

No.80

**Discharge of Mortgages (and other encumbrances)**

In a Notice to Lodging Parties issued in May 1991, clients were advised that the practice of this Office to endorse on Mortgages and other encumbrances a dealing which releases a certificate of title would eventually cease. Implementation of this change was deferred to enable clients to organise their own records.

This practice will cease on 9th March 1992 and a Discharge of Mortgage, Discharge of Encumbrance, Surrender of Lease, Withdrawal of Caveat and Withdrawal of Worker's Lien will be recorded only on the certificate of title.

Clients who need it may maintain their own record of these dealings by attaching reference sheets to their copy of the document.
