Training Rooms at Level 3, 101 Grenfell Street

We have been advised that, due to the current building works being undertaken, on Level 3 at 101 Grenfell Street Adelaide and the risk to safety this creates, the overflow settlements room will be relocated to the Board Room on Level 2. The room will be available on Fridays and the end of the month for settlements to allow additional space to conduct physical settlements.

This change will become effective immediately.

The use of the "Settlements Room" located in the atrium at 101 Grenfell Street, Adelaide has not changed.

Thank you for your understanding.
