NOTICE TO LODGING PARTIES

Re: Panel Form 9 - Application for Deposit of Plan of Division and New certificates of title

Your attention is drawn to proclamation of a new Panel Form 9 in the Government Gazette of 20 September, 1990 at pages 915 to 917 inc.

The Proclamation is made following a recent change to the Real Property Act (Land Division) Regulations, 1982 (see No. 228/1989) that now requires proposed land use to be taken into consideration for survey requirement purposes.

The new Form 9 has an amended certification clause to incorporate this change. New forms will be available from the usual retail outlets almost immediately, however, the Lands Titles Office will continue to accept the old form provided it is appropriately amended to include future land use.

The new certification is reproduced for your convenience.

Viz;

"IT IS HEREBY CERTIFIED THAT:

- a) *The land in this application is not designated on The Development Plan as primarily for shopping, commercial, office or business use, or actually used or intended to be used for those purposes; and*
- b) *None of the new boundaries intend to define an existing line of occupation or be located in relation to any physical structure or feature located on or below the surface or the land.*

DATED THIS DAY OF 19 .

.....
(Signature of Applicants)"
