

Customer Announcement

Land Services SA - Brand Launch

Date: 18/02/2019

Land Services SA is pleased to announce that our new brand and website have been launched!

Please visit landservices.com.au to check out our new website. This will provide you with access to all information and resources related to land services.

We recommend updating any bookmarks to replace sa.gov.au/landservices with our new landservices.com.au.

The content on the sa.gov.au/landservices website will remain available for a two-week period to allow a smooth transition, after which all land services content will be removed, and you will be directed to our new site.

When you log into the South Australian Integrated Land Information System (SAILIS) and Electronic Plan Lodgement (EPL), you will notice a new landing page design and that the colours throughout the site have changed. There has been no change to the SAILIS and EPL URL or any functionality, and your login details and access remain the same, however if you have any difficulties accessing SAILIS please contact LSSA on 8423 50000

To celebrate, Land Services SA will be having a Coffee Cart in the Atrium at 101 Grenfell Street on Friday 22 February 2018. The Executive Team will be onsite to meet all those attending settlements.
