## LAND SERVICES GROUP

Colonel Light Centre  
25 Pirie Street ADELAIDE 5000

### SUPPORTING EVIDENCE

No.92

Further to the Notice to Lodging Parties No.86 dated 18th March 1993, clients have expressed dissatisfaction with the current policy of returning photocopied evidence to them as a delivery item.

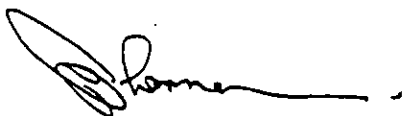

Photocopied evidence relating to instruments where Marriage, Birth, Death and Change of Name (of an individual) Certificates are produced to enable registration will be destroyed by this Office after examination. This will alleviate the need for these certificates to be included as delivery items. **Original certificates will still be returned;** it is essential that a delivery agent code is provided on the relevant instrument.

This practice will become effective from the date of this Notice.

### DEALING WITH A CONVERTED TITLE

Further to the Notice to Lodging Parties No.67 dated 3rd October 1990.

Clients preparing instruments over a certificate of title that has been converted to the Torrens Automated Title System (TATS), as disclosed by either a Register Search or Check Search of that title, are requested to use the TATS title reference at all times.
