## Land Services SA Brand Launch

---

Land Services SA is pleased to announce we are launching our new brand and website on **Monday 18 February 2019.**

Our new brand represents our vision to deliver high valued trusted services to the South Australian community and be recognized for the creation of innovative solutions.

The website will deliver an improved digital experience for accessing resources and researching land transaction services.

When you log into the South Australian Integrated Land Information System (SAILIS) and Electronic Plan Lodgement (EPL) on 18 February, you will notice a new landing page design and that the colours throughout the site have changed.

There will be no change to the SAILIS and EPL URL or any functionality, and your login details and access remain the same, however if you have any difficulties accessing SAILIS please contact Land Services SA on 8423 5000.

To celebrate our new brand, Land Services SA will be having a Coffee Cart in the Atrium at 101 Grenfell Street on Friday 22 February 2018. The Executive Team will be onsite to meet all those attending settlements.

More information will be released Monday 18 February 2019, with details of how to access our new website.
